

ใบงานที่ 1 วิชาภาษาอังกฤษ ม.2

Sara Smith, a Pasadena resident, went shopping. She is 30, and has lived at 3037 N. Foothill Street since 1992. Sara has been married to John for seven years. They have two children; Bob is five years old and Nancy is three. Sara owns a 1995 four-door blue Toyola. At 9 a.m., Sara got into her car and drove to Barget, a department store a mile away.

Barget was having a holiday sale. Sara bought a four-slice toaster for \$29.95 plus tax. The regular price was \$39.95. She paid by check. On her way home, Sara stopped at MilkPlus to buy a gallon of nonfat milk. The milk was \$3.50. Sara got 50 cents back in change.

Sara arrived home at 10 a.m. John and the kids were still sleeping. She woke them up and then made a hot and nutritious breakfast for everyone.

1. How old is Sara?

.....

2. Who is Sara married to?

.....

3. How many children do Sara have?

.....

4. What kind of car does Sara have?

.....

5. When did she go to Barget?

.....

6. What is Barget?

.....

7. How did she pay for the toaster?

.....

8. What did she buy on her way home?

.....

9. What was the price of the milk?

.....

10. What did she do when she found that kids were still sleeping?

.....

## Game
